

## THE POPULAR ADVANCED SEMINAR WITH LIVE DOG DEMONSTRATIONS

This is Kathy's final Dog Aggression seminar for 2010 so to avoid disappointment book your spot now as places fill very quickly.

# How would you like to read your dog like a book and learn how by watching real live dogs in action?

Well now you can! In this interactive 'Live Dog' seminar you will learn how to use advanced techniques to help understand your dog and dog behaviour on a whole new level.

Join me, Kathy Kopellis McLeod, one of the leading Australian experts on dog behaviour as I demonstrate for you with live dogs the most powerful strategies you need to know. Strategies that will help you successfully handle your own dog and also the behaviour of any other dogs you have to deal with.

The dogs we'll be working with have real behavioural issues and you'll hear their stories on the night and how their behaviours have successfully been changed.

Here's more of what you learn at this exciting interactive seminar...

- The secrets to the most successful 'dog and people friendly' strategies ever
- The common myths that get in the way of relating really well to your dog
- How to handle your dog in stressful situations and combat anti-social behaviour by any dog
- What the latest scientific discoveries are about dog behaviour that you must know ...PLUS
- **LIVE DEMONSTRATIONS with several dogs so you can actually see exactly how to handle various types of dog behaviours.**

Join us for this highly interactive advanced seminar to understanding about dog behaviour.
