The dog behaviour consultant and professional dog trainer shows Sandra Peterson her favourites.

1 AFFIRMATIONS I have affirmations all around the house and read them and feel their meaning every day. They keep me thinking positively, help me reach my goals and enjoy life's journey.

2 LION BLANKET My parents bought this for me and I love the luxurious feel of it when I cover myself up.

3 CHICKENS Being a country kid, I've grown up with chickens and find them wonderful to have around. They're fun and friendly.

4 DOGS I love my Siberian huskies. They're my happiness, they're my life.

5 COLLAGE AND PICTURES I have two friends called Alison and Alyson who put a lot of love and thought into making these for me. Alison made the collage and Alyson drew the pictures.

6 ROCKING HORSE ALARM CLOCK This wakes me up to the sound of a horse galloping in the distance and, when it sounds like the horse is approaching, the noise increases and is followed by a couple of neighs. It's colourful, reliable and makes waking up fun.

7 DOG BEHAVIOUR DVDS, BOOKS, VIDEOS AND TAPES

I spend a great deal of time studying and observing dog behaviour and each time a new DVD arrives on my doorstep, I feel as if it's Christmas.

8 FAMILY AND FRIENDS Money can't buy the love, care and support I receive from my family and friends. I'm a very lucky person to have them in my life.

9 STEVE IRWIN I bought this commemorative plaque after Steve Irwin passed away. He's such an inspiration. He was always happy, enthusiastic, kind, passionate and a wonderful human being.

10 AQUA EARRINGS

I am drawn to the colour aqua and these earrings are the only pieces of jewellery that I wear.

1
I never belong to the owner
Never give in
Never give up
Never give in
Winning starts with beginning
They can because they think they can
Live your beliefs and you can turn the world around.
