## **Training secrets are shared**

**DIANELLA'S** Kathy Kopellis McLeod has released a 52-page handbook on how to look after dogs.

Called *105 Great Ideas to Having a Well Behaved Dog*, the manual is written from a "dog's perspective" and contains hints on how to train canine companions.

"Understanding your best friend

isn't always easy, but knowing some of the secrets behind what makes dogs tick means less headaches for you and your pet," the dog behaviour consultant said.

"The tips and hints show dog lovers how to be great leaders so they can have a happy, healthy and well-behaved pet."
